SECTION I

Investment Policy of the Suffolk County Water Authority

INVESTMENT POLICY
FOR THE
SUFFOLK COUNTY WATER AUTHORITY

I. SCOPE

This Investment Policy ("Policy") applies to all moneys and other financial resources available for deposit and investment by the Suffolk County Water Authority ("Authority") and on behalf of any other entity or individual.

II. INVESTMENT OBJECTIVES

The primary objectives of the Authority's investment program shall, in order of priority, be to: (1) comply with all applicable provisions of law and any applicable covenants contained in the Resolution (as hereinafter defined); (2) safeguard the principal of all deposits and investments; (3) provide sufficient liquidity to ensure that monies invested are available to meet expenditures as they come due; and (4) obtain the maximum rate of return that is consistent with the preceding objectives.

III. DELEGATION OF AUTHORITY; ESTABLISHMENT OF PROCEDURES

The members of the Authority ("Board") hereby delegate responsibility for the implementation and administration of the Authority's deposit and investment program ("Program") to the Chief Executive Officer and the Chief Financial Officer ("Finance Officers") who shall establish procedures for the operation of the Program consistent with this Policy ("Procedures"). Such Procedures shall regulate subordinate employees and include an adequate internal control structure to provide a satisfactory level of accountability based on a record incorporating descriptions and amounts of deposits and investments, transaction dates, interest rates and other information necessary to manage the portfolio and to identify the sources of all funds being invested. Except as is otherwise provided in this Policy, no written contracts or agreements shall be required with respect to a specific investment authorized by

this Policy. Any of the Finance Officers shall be authorized to make deposits and investments, or to sell or redeem the same, on behalf of the Authority in accordance with the Procedures and this Policy.

IV. INTERNAL CONTROLS; ANNUAL AUDIT

(a) The Finance Officers are responsible for establishing and maintaining an internal control structure to provide reasonable assurance that deposits and investments are safeguarded against loss from unauthorized use or disposition, that such transactions are executed in accordance with proper authorization and recorded properly and, that such transactions are managed in compliance with applicable laws, regulations and bond covenants.

(b) The Authority shall be required to have an annual audit of its investments performed by its independent accountants. This annual audit shall include a review of the Authority's internal control structure as it relates to the Program and verify that the Finance Officers have acted in accordance with the Policy and Procedures.

V. PRUDENCE

The Finance Officers and their subordinates shall at all times act responsibly as custodians of the public trust. Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their affairs, not for speculation, but for investment, considering the safety of principal as well as the income to be derived. The Finance Officers and their subordinates involved in the investment process shall refrain from personal investment activity that could conflict with proper execution of the Program or which could impair their ability to make impartial investment decisions.

VI. AUTHORIZED INVESTMENTS

Except as otherwise may be provided in a contract with bond or note holders or this Policy, monies not required for immediate expenditure may be invested in any of the following:

(i) direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America;

(ii) bonds, debentures, notes, participation certificates or other evidences of indebtedness issued or guaranteed by the Bank for Cooperatives; Federal Intermediate Credit Bank; Federal Home Loan Bank System; Export-Import Bank of the United States; Federal Land Banks; Federal National Mortgage Association; United States Postal Service; Government National Mortgage Association; Federal Financing Bank; Farmers Home Administration; Federal Home Loan Mortgage Association; Tennessee Valley Authority or any agency or instrumentality of the United States of America or any other corporation wholly-owned by the United States of America;

(iii) New housing authority bonds issued by public agencies or municipalities and fully secured as to the payment of both principal and interest by a pledge of annual contributions under an annual contributions contract or contracts with the United States of America or any agency thereof; or project notes issued by public agencies or municipalities and fully secured as to the payment of both principal and interest by a requisition or payment agreement with the United States of America or any other agency thereof;

(iv) bank time deposits evidenced by certificates of deposit and bankers' acceptances issued by any bank or trust company which is a member of the Federal Deposit Insurance Corporation (hereinafter "Bank");

(v) certificates or other obligations that evidence ownership of the right to payments of principal of or interest on obligations of the United States of America or any state of the United States of America or any political subdivision thereof or any agency or instrumentality of the United States of America or any state or political subdivision, provided that such obligations shall be held in trust by a bank or trust company or a national banking association meeting the requirements for a Bond Fund Trustee under Section 7.1 of the Resolution (as hereinafter

defined), and provided further that, in the case of certificates or other obligations of a state or political subdivision, the payments of all principal of and interest on such certificates or such obligations shall be fully insured or unconditionally guaranteed by, or otherwise unconditionally payable pursuant to a credit support arrangement provided by, one or more financial institutions or insurance companies or associations which shall be rated in the highest rating category by at least two nationally recognized bond rating agencies or, in the case of an insurer providing municipal bond insurance policies insuring the payment, when due, of the principal and interest on municipal bonds, such insurance policy shall result in such municipal bonds being rated in the highest rating category by at least two nationally recognized bond rating agencies, and

(vi) obligations of any state of the United States of America or any political subdivision thereof or any agency, instrumentality or local government unit of any such state or political subdivision, except industrial development revenue bonds, which shall be rated in the highest two rating categories by at least two nationally recognized bond rating agencies.

Investments shall be payable or redeemable, at the option of the Authority, within such time as the proceeds shall be needed to meet expenditures for the purpose for which the monies were provided.

VII. DEPOSITS

All monies collected by any officer or employee of the Authority shall be deposited in such Banks as have been authorized by the Board of the Authority. It is the policy of the Authority that all monies collected by any officer or employee of the Authority shall be immediately deposited in such Banks in accordance with the Procedures established pursuant to Section III of this Policy.

VIII. DIVERSIFICATION

Investments and deposits shall be diversified by issuer, financial institution, maturity and type of investment to eliminate the risk of loss resulting from over concentration of assets in a

specific issuer, bank or trading partner or a specific maturity. No more than seventy-five percent (75%) of the Authority's funds may be invested in the securities of any one issuer, with the exception of those obligations enumerated in paragraph (i) of Section VI of this Policy. For purposes of the preceding sentence, each Bank issuing a bank time deposit evidenced by a certificate of deposit or bankers' acceptance shall be deemed to be the issuer of a security.

IX. AUTHORIZED BANKS AND TRADING PARTNERS

(a) The Finance Officers shall maintain a list of Banks, brokers, dealers and investment advisors approved to do business with the Authority. No Bank, broker, dealer or investment advisor shall be included on such list unless approved by the Board. If appropriate, the Finance Officers shall establish limits on the amount of investments that may be outstanding with any approved bank, broker or dealer at any time. All Banks, brokers and dealers with which the Authority conducts business must be creditworthy as determined by criteria established by the Finance Officers. All Banks with which the Authority does business shall provide their most recent Consolidated Report of Condition (Call Report) to the Finance Officers at the request of any such officer. Brokers and dealers not affiliated with a Bank shall be recognized primary dealers designated by the Federal Reserve Bank of New York. The Finance Officers are responsible for periodically evaluating the financial position of, and the quality of service provided by, Banks, brokers, dealers and investment advisors with which the Authority does business and, based on such evaluations, shall recommend to the Board revisions to the list of eligible Banks and trading partners as they deem appropriate.

(b) Every Bank, broker, dealer or investment advisor approved pursuant to paragraph (a) of this Section shall be given a copy of this Policy. Each such Bank, broker dealer or investment advisor shall certify in writing to the Authority that it has reviewed the Policy and that it will comply with the provisions thereof.

X. PROCEDURES FOR SECURING DEPOSITS, SPECIAL TIME DEPOSITS AND CERTIFICATES OF DEPOSIT

(a) WRITTEN SECURITY AGREEMENTS

Monies of the Authority shall only be deposited or invested in a Bank pursuant to paragraph (iv) of Section VI of this Policy if the Authority has entered into a written security agreement with such Bank and only if the total amount of such deposits do not exceed at any one time in the aggregate of (5%) five percent the total of the capital and surplus of such Bank. Such security agreement shall require the Bank to secure all Authority deposits with securities (1) of the type enumerated in paragraphs (i), (ii), or (iii) of Section VI of this Policy; or (2) with direct and general obligations, to the payment of the principal of and interest on which the faith and credit of the issuer is pledged, of the State of New York or any political subdivision thereof; provided that (a) as to such obligations of a political subdivision, all the taxable real property within such political subdivision shall be subject to taxation thereby to pay such obligations and the interest thereon, without limitation as to the rate or amount, and (b) at the time of their purchase, such obligations of such state or political subdivision are rated in one of the three highest rating categories by two nationally recognized bond rating agencies ("Collateral"). Such security agreement shall also (1) require that the Collateral provided by the Bank at all times have a market value (exclusive of accrued interest) at least equal to the amount of deposits or investments secured by such Collateral; (2) prescribe the manner in which the market value of the Collateral shall be determined and provide for the valuation of Collateral; (3) require the Bank to provide additional Collateral if the market value falls below the required amount of Collateral; (4) provide that the Collateral is being provided by the Bank to secure all Authority deposits and investments in the Bank, together with agreed upon interest, if any, and any costs or expenses arising out of the collection of such deposits upon default; (5) grant a security interest to the Authority in the Collateral pledged by the Bank pursuant to the agreement; (6) set forth the conditions under which the Collateral may be sold, presented for payment, substituted or released; (7) define the events of default that will enable the Authority to exercise its rights

against said pledged Collateral; (8) require that Collateral pledged to the Authority to secure deposits and not registered in the name of the Authority be delivered in a form suitable for transfer or with an assignment in blank to a custodial bank with which the Authority has entered into a written custodial agreement; (9) require that the agreement be properly authorized by the board of directors of the Bank and that the Bank maintain such agreement as an official record of the Bank; and, (10) contain such other provisions deemed necessary to enable the Authority to enforce its interest in the Collateral in the event of a default by the Bank.

(b) CUSTODY AGREEMENTS

All Collateral pledged by a Bank pursuant to a written security agreement shall be delivered to a Bank with which the Authority has entered into a written custody agreement ("Custodian"). The custody agreement shall: (1) specify the manner in which the custodian shall hold securities; (2) require the Custodian to hold the securities as agent of, and Custodian for, the Authority and to keep such securities separate and apart from the general assets of the Custodian and not permit them to become the backing for any other deposits or liabilities of the Custodian; (3) require the Custodian to confirm in writing the receipt, substitution or release of any securities from the Authority's custody account; (4) provide for the methodology and frequency of valuation of securities held by the Custodian; (5) require the Custodian to make appropriate entries on its books at all times showing the Authority's interest in the securities held by the Custodian; (6) require physical securities be kept in the Custodian's vault and physically segregated from the Custodian's property and other property held by the Custodian; (7) require the Custodian to subordinate any claims it may have against the securities to the Authority's interest therein; (8) permit the Authority access to books and records maintained by the Custodian with respect to the Authority's account; and, (9) contain any other provisions deemed necessary and appropriate. A Bank shall not be permitted to act as Custodian of any Collateral pledged by such Bank to secure Authority deposits.

XI. PURCHASE AND SAFEKEEPING OF INVESTMENTS

(a) In the case of investments in certificates of deposit and special time deposits, the Procedures shall require the solicitation of quotations from more than one of the approved Banks.

(b) In the case of the purchase of securities, the Procedures shall: (1) require competitive quotations, except in the purchase of government securities at their initial auction; (2) require all securities purchased by the Authority to be held in the custody of a Bank with which the Authority has entered into a written custodial agreement which complies with the requirements contained in paragraph (b) of Section X of this Policy; (3) ensure that securities are purchased, sold or presented for redemption or payment by a Custodian only in accordance with instructions from the Finance Officers or a subordinate authorized to make the investment; and (4) provide that payment of the Authority's funds shall be made only upon delivery of the purchased obligations.

(c) The Finance Officers are further authorized to purchase securities subject to a repurchase agreement in accordance with the procedures enumerated in Section XII of this Policy.

XII. PROCEDURES FOR REPURCHASE AGREEMENTS

The Finance Officers are authorized to purchase and sell securities pursuant to repurchase agreements subject to the following restrictions:

(1) The Authority shall only enter into repurchase agreements with a Bank, broker or dealer approved by the Finance Officers pursuant to Section IX of this Policy, subject to any trading limits established for each Bank, broker or dealer;

- (2) No repurchase transaction shall be entered into with any Bank, broker or dealer until the Authority has entered into a written master repurchase agreement with such Bank, broker or dealer;
- (3) Only securities enumerated in paragraphs (i) and (ii) of Section VI shall be purchased pursuant to the repurchase agreement;
- (4) Securities purchased pursuant to the repurchase agreement shall be held by a Custodian, other than the Bank, broker or dealer acting as seller under the repurchase agreement, pursuant to a written custody agreement;
- (5) The price paid for the securities shall not be in excess of the market value of the securities being purchased plus any accrued interest not reflected in the market price.

Master repurchase agreements between the Authority and its trading partners shall: (1) contain procedures which ensure that the Authority obtains a perfected security interest in the purchased securities; (2) define events of default; (3) prohibit the trading partner from substituting securities for the purchased securities during the term of the repurchase agreement except with the express consent of the Authority; (4) limit the term of a specific repurchase transaction to a period of not more than thirty (30) days; (5) contain appropriate margin requirements and procedures for timely correction of margin deficiencies or excesses; (6) provide that the Authority shall not make payment for the purchased securities until they are received by the Custodian and that the Custodian shall not transfer the purchased securities to the trading partner until the Authority has received the repurchase price in immediately available funds; (7) require that the terms of all specific repurchase transactions, including rate, price and a description of the specific securities being purchased, be confirmed in writing; (8) provide that all specific repurchase transactions shall be subject to the terms of the master repurchase agreement; and, (9) contain such other provisions as are deemed necessary and appropriate.

The written custody agreement shall, to the extent applicable, comply with the requirements of paragraph (b) of Section X of this Policy.

XIII. LEGAL REVIEW

All security agreements, custody agreements and repurchase agreements shall be reviewed by an attorney retained for the purpose of determining their compliance with the requirements of this Policy.

XIV. INVESTMENT REPORTS

(a) The Finance Officers shall prepare and file with the Board on a quarterly basis a report showing: (a) any new investments made during the quarter; (b) any investments sold during the quarter, including the gain or loss thereon; (c) an inventory of existing investments (including the name of the investment, the cost of the investment, the stated interest rate and yield to maturity of the investment, the maturity date of the investment, and the current market value of the investment if less than cost); and (d) the list of approved Banks and trading partners required to be maintained pursuant to Section IX of this Policy.

(b) The Finance Officers shall annually prepare and submit to the Board for approval a report which includes: (1) a copy of this Policy; (2) an explanation of this Policy and any recommendations by the Finance Officers for changes to this Policy; (3) an annual independent audit; (4) the investment results obtained by the Authority during the annual period covered by the report (including interest income, realized and unrealized gains and losses, average weighted maturity and weighted average net yield); and (5) a list of total fees, commissions or other charges paid to each investment banker, broker, agent, dealer and provider rendering investment associated services to the Authority. Such Annual Report, as approved by the Board, shall be submitted to the County Executive of Suffolk County and the New York State Department of Audit and Control.

XIII. INCONSISTENCY WITH RESOLUTION

Neither this Policy nor the Procedures adopted hereunder shall be construed to authorize any deposit or investment that is not permitted under the Bond Resolution adopted by the Authority on September 27, 1988, as amended October 27, 1988, March 30, 1993 and November 29, 1994 ("Resolution") and in the event of any such inconsistency, the Resolution shall govern.

Independent Accountant's Report on Compliance with the Requirements of Section 201.3 of Title Two of the Official Compilation of Codes, Rules and Regulations of the State of New York

The Members

Suffolk County Water Authority:

We have examined Suffolk County Water Authority's (the Authority) compliance with Section 201.3 of Title Two of the *Official Compilation of Codes, Rules and Regulations of the State of New York* during the period June 1, 2021 to May 31, 2022. Management of the Authority is responsible for the Authority's compliance with the specified requirements. Our responsibility is to express an opinion on the Authority's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Authority complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Authority complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the Authority's compliance with specified requirements.

In our opinion, the Authority complied, in all material respects, with the requirements of Section 201.3 of Title Two of the *Official Compilation of Codes, Rules and Regulations of the State of New York* during the period June 1, 2021 to May 31, 2022.

In accordance with *Government Auditing Standards*, we are required to report certain findings of deficiencies in internal control; instances of noncompliance with provisions of laws, or regulations, contracts or grant agreements; and instances of fraud and abuse that are direct and material to the Authority's compliance with the requirements of Section 201.3 of Title Two of the *Official Compilation of Codes, Rules, and Regulations of the State of New York* that come to our attention during our examination. We are also required to obtain the views of management on those matters. We performed our examination to express an opinion on the Authority's compliance with the requirements of Section 201.3 of Title Two of the *Official Compilation of Codes, Rules, and Regulation and Regulations of the State of New York* and not for the purpose of expressing an opinion on the internal control over compliance with those requirements, compliance with the provisions of other laws, regulations, contracts or grant agreements or the other matters referred to above; accordingly, we express no such opinion. The results of our tests disclosed no matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Authority and New York State and is not intended to be and should not be used by anyone other than the specified parties.
