

ALERT: Suffolk County Water Authority Declares Stage 1 Water Emergency

Due to the prolonged hot and dry weather, the Suffolk County Water Authority is declaring a Stage 1 Water Emergency Alert in the Towns of Southampton, Southold, East Hampton, and Shelter Island to ensure that there is sufficient water for firefighting and other emergency purposes.

Residents Must:

- **Stop all irrigation between the hours of 12 AM and 7 AM**
- **Refrain from all non-essential water usage**
- **Reduce shower times and embrace other water-saving measures indoors**
